Notes

Aaron Barnes died at Mentz, Cayuga Co., in 1824. His name is listed on an index of testators and refers to: (surrogate Box 4) B1-193[A]. He was buried at the Pine Hill cemetery in Throopsville, Cayuga Co., NY.

The town of Sennett is just northeast of Auburn, NY. Just west of Sennett are the towns of Throop and Throopsville, north and northwest of Auburn, respectively. And just a short distance further west is Mentz and Mentz Corners, west by northwest of Auburn. Seneca Falls isn't a great distance west by southwest from Mentz. All of these towns have much significance in our Barnes family history.

Marriage Notes

Great-Grandfather Aaron Barnes came to Troopsville, Caugua County, NY from Sharon Conn. in about 1790.

Great-Grandmother on father's side named Eggleston. Great-Grandfather Barnes married her in Conn. Her name was Martha.

---The above is from the memoirs of William Hood Barnes---

(See the complete memoirs under William Hood Barnes' entry.)

From website:

<http://freepages.genealogy.rootsweb.com/~hubbard/morestuff.html>

"SHARON, Litchfield, CT, being so close to the border with NY State (Dutchess County) has a lot of info from eastern NY. Amenia, NY is mentioned over and over..."

Aaron Barnes and his wife Martha (Eggleston) had seven children: three sons and four daughters. Aaron and Martha were still living in Sharon, Litchfield Co., CT at the time of the 1810 Federal census. Six of their children had been born. (Also still in Sharon was Statira Barnes, Aaron's sister, who was living alone. Statira, pro. Sta'turra, would settle in Cayuga

County, New York about the same time as Aaron.)

Aaron and Marth Barnes household in 1810:

<i>Males:</i>	<i>Females:</i>
2 under 10 years	1 under 10 years
1 between 10-15 years	2 between 10-15 years
1 45 years and over	1 45 years and over

By the time the 1820 Federal census was taken, the family had moved to Aurelius/Mentz, Cayuga Co., NY. Five of the seven children were still living at home, Jeffrey having married, and the first daughter Eleanor also having married. Jeffrey's family and Eleanor's family lived on either side of Aaron and Martha. Jeffrey's wife had already given birth to one daughter that was less than ten years old, and Eleanor had given birth to a son of similar age group.

Aaron and Marth Barnes household in 1820:

<i>Males:</i>	<i>Females:</i>
1 between 10-16 years	1 under 10 years
1 between 16-26 years	1 between 10-16 years
1 over 45 years	1 between 16-26 years
	1 over 45 years

Jeffrey and Sarah, like their brother Thomas, would eventually settle in Michigan. Whereas Thomas made Jackson County, MI, his permanent home, Jeffrey first settled in Berrien County, MI, where he was living at Niles in 1860, and finally Branch County, where he was living at Butler in 1870, and his family was living at Quincy in 1880. Sarah and family, on the other hand, settled in Ingham Twp., Ingham Co., MI sometime in the early-to-mid-1840s. There is also evidence that the two oldest sisters Eleanor and Julia Anna, with their husbands Isaac Shaver and Calvin Tanner, respectively, would also settle in the Jackson County, Michigan area.

 The Eggleston genealogy claims that Martha married "Aaron Barnes" and "moved to Auburn," and that later she was married to a "Mr. Treat." (Several Treats settled in Cayuga County, NY from Sharon, CT, although to-date I have been unable to find Martha's final resting place nor the given name of Martha's Treat husband. C.W. Paige)

 [Aurelius was originally "one of the 'Military Townships' formed January 27, 1789..." Two other of the military townships were "Cato" and "Brutus." "Auburn was formed from Aurelius, March 28th, 1823."..."Mentz, from Aurelius, as Jefferson, March 30, 1802, name changed April 6, 1808."..."Sennett, from Brutus, March 19, 1837."..."Throop from parts of Aurelius, Mentz and Sennett, April 8, 1859." Notes

The Eggleston side of the family prior to Martha is well documented, although her information is spotty.

From Aaron Barn's will dated 1 May 1823:

"I give and bequeath unto my beloved wife Martha Barns the half of my house and barn so long as she shall remain my widow...I give and bequeath unto my beloved wife all my household furniture to have and to hold the same during the time of her widowhood...And it is my will that my wife shall have the privilege of taking fruit out of the orchard, south of my house, sufficient for her use & comfort. It is also my will that my eldest son shall provide provisions and firewood sufficient for the comfortable support of my said wife, and that my two youngest daughters may remain with my said wife, until they shall arrive at the age of eighteen years, unless they before marry."

After Aaron died, Martha is said to have married a Mr. Treat. There were several Treat households in Mentz, Cayuga Co., NY area at the time of the 1840 Federal census. Of those checked, an "A. Treat" had a male and female between the ages of 70-80, and a "Wm. Treat" had a female between the ages of 60-70.

Many people with the last names of "Barnes" and "Treat" were buried at the Pine Hill cemetery in Throopsville, where Aaron was laid to rest. The fact that Martha's name is not among them indicates that she may have moved away from the area. She may also have been buried in a grave that no longer has a headstone, of which there are many.

Julia was not married to Calvin Tanner when her father Aaron Barnes wrote his will in May of 1823.

From Aaron Barn's will dated 1 May 1823:

"I give & bequeath unto my second daughter Julia Barns the sum of one hundred dollars to be paid to her two years after my decease... I give and bequeath unto my beloved wife all my household furniture to have and to hold the same during the time of her widowhood, and after her it is my will that the said furniture shall be equally divided between my daughters, Elen or, Julia, Sarah & Saphronia Barns..."

By 1831 the family was living in Skaneateles, Onondaga Co., NY, according to testator information regarding administering the last will and testament of Aaron Barn(e)s.

The 1830 Federal census found the family living at Skaneateles, Onondaga Co., NY. In the household were the following people:

<i>Males:</i>	<i>Females:</i>
<i>2 under 5 years</i>	<i>1 under 5 years</i>
<i>1 between 20-30 years</i>	<i>1 between 20-30 years</i>

The following information is included to provide possible clues but is not yet proven to be this family:

The 1840 Federal census found the family of a C. S. Tanner living at Sennett, Cayuga Co., NY. In the household were the following people:

Males: *Females:*
1 between 30-40 years *1 between 30-40 years*

(The female in the 1840 census was most likely Hannah (nee) McCarthy, whom Calvin is said to have married 11-01-1839.)

Possible clues to further research:

The Mormon genealogical site at www.familysearch.org has a Calvin Tanner and Julia Barnes married 02-12-1825 and states they were "Of Jackson, Jackson County, Michigan." The date of marriage certainly fits perfectly into the timeframe when our Calvin and Julia would have married.

The family was living at Murray, Orleans Co., NY, at the time of the 1850 Federal census. In the household were: Jeffrey S. Barns, 50 years old, born in CT, and a farmer; Lucretia Barns, 52 years old, born in NY; Florilla Barns, 24 years old, born in NY; Louisa Barns, 22 years old, born in NY; Aaron Barns, 20 years old, born in NY; Margaret Barns, 18 years old, born in NY; Moses Barns, 16 years old, born in NY; Morgan Rublee, 25 years old, born in NY, and a merchant; Henry Hows, 19 years old, born in NY, and a farmer.

Marriage Notes

From Aaron Barn's will dated 1 May 1823:

"The rest of my land [except for land that went to Jeffrey and the orchard that went to Horace/C.W.P.] I will, that it sh all be equally divided between my three sons, Jeffrey Barns Thomas Barns & Horris Barns..." The aforementioned land was in Mentz, Cayuga Co., NY.

Thomas received no other presents or mention in the will than shown above. However, he and Sally did quite well over the coming years with land speculation in both New York and Michigan.

Grandfather Thomas Barnes moved to Wayne County Butlertown. Moved back to Caugua County, moved to town of Rose.

Moved to Seneca Falls. Came to MI in 1843, October 24th to Jackson.

---The above is from the memoirs of William Hood Barnes before 1946---

(See the complete memoirs under William Hood Barnes' entry.)

In 1830, the Isaac and Eleanor (Barns) Shaver family was enumerated on page 7 of the Butler, Wayne Co., NY census; the family of Eleanor's brother Thomas Barnes was enumerated on page 9; and the family of their brother Jeffrey Barnes was enumerated on page 19.)

Thomas and family were living in the township of Rose at the time of the 1840 Federal census of Wayne Co., NY. They were living at Seneca Falls, Seneca County, NY at the time of David Sittser's probate in latter 1841.

Thomas, Sally, and their seven children left Seneca Falls in 1843 and arrived in the new village of Jackson, Jackson Co., MI on October 24th of that year. They originally settled in Jackson, where they were living at the time of the 1850 Federal census. Melissa and David were already married and had moved away.

Thomas and Sarah had moved to Tompkins Township, Jackson Co. by 1858, where they were living at the time of the 1860 Federal census. Aaron was the only child still living with them at the time. Thomas was a farmer with real estate valued at \$4,000 and person estate valued at \$1,000. Aaron was also a farmer, with a person estate valued at \$500.

Among the families living nearby was that of Isaac Hause, 53 b. NY, having real estate valued at \$1,800 and personal at \$500, with wife Lydia, 44 b. NY, and daughters Priscilla, 17 b. MI, and Jane, 16 b. MI, still living at home. (Eventually, Aaron would marry Jane.)

Another nearby family was the Hattens: Ann (Smith), 53 and born in England, with real estate valued at \$1,800 and personal at 200, the widow of Robert Hatton, Sr., b. England. Also living in the same household were son Robert, Jr., 22 b. MI, with personal estated valued at \$200, and daughter-in-law Sophronia (Barnes) Hatten, 25 b. NY, and their son David, 3 months b. MI. Also nearby were William, 40 b. England, and Elizabeth Smith, 80 b. England, Ann Hatton's brother and, probably, their mother.

Also in Tompkins Twp. were the families of Horace, 41 b. VT, and Adelia Fotte (variously spelled Foot and Foote), 31 b. NY, with their five children; Clark, 71, b. VT, and Harriet (Boardman) Fotte, 63 b. VT, and two of their children, all born in Vermont; and Lewis, 30 b. NY, and Harriet (Foote) Legget, 26 b. VT, with their 1-year-old son George, b. MI. Little George's importance to the Barnes family was that he would one day be the father of Clyfford Arthur Leggett, who would be married to Thomas and Sarah's great-granddaughter Helen Mary Barnes for 78 years. George was a grandchild of Clark and Harriet Foote.

Next door to each other, again in Tompkins Twp., were the Roods and Field families. The Roods were comprised of Edwin, 36 b. NY, with a personal estate of \$200, and Sarah (Barnes) Roods, 36 b. NY, and three children: Horace, 6, Harriet, 4, and Ellen, 2, all born in Michigan. The Field family consisted of William, 37 b. NY, with real estate valued at \$2,700 and a personal value of \$1,000, and Melissa (Barnes) Field, 36, b. NY, and children: Titus, 14, Louisa, 13, Vestilina, 11, Phil itus, 9, Lenora, 6, and Arvilla, 1, all born in Michigan.

Most of the Barnes family remained near Jackson, and it wasn't until later generations that it began to spread out across the country. At the time of this writing (1976-2002), the majority is still near Jackson or at least in MI, and Jackson continues to be what one might safely consider the "family seat." [However, there are many Barnes cousins still living in Cayuga Co., NY, particularly from Aaron's brother Thomas's side of the family.]

There is a large, granite marker near which Thomas, Sarah, David, Mary, Arvilla, Aaron S., and other Barneses are buried at Mt. Evergreen Cemetery in Jackson. Whether intentional or a mistake, the name on the marker is spelled "BARNs."

Movements Of Thomas And Sarah Barnes 1845 - 1875:

On 24 July 1843 for the consideration of \$150.00, Thomas Barnes and Sally Barnes, his wife, both of Seneca Falls, Seneca County, NY to Aralzaman C. Marsh of Galen, Wayne County, N.Y a convey of land, Section 33 in Parma Township, formerly owned by Nathaniel Willis and Sarah E. Willis, his wife. (From the book "Record of Land Deeds - Prior to 1850, Vol. III" located at Jackson City Library.)

On 6 November, 1843, about two weeks after their arrival, they bought land in Section 17 of Summit Twp from Ichabod and Sarah Cole for \$250.00. ("Record of Land Deeds - Prior to 1850")

On 25 March, 1848, they bought more land in Section 17, this time from Cyrenius and Louisa Smith, for \$250.00. ("Record of Land Deeds - Prior to 1850")

SOMETIME BETWEEN 1848 and 1858, Thomas and Sarah sold all their holdings in Summit Twp and bought 200 acres in Sections 23 and 24 of Tompkins Twp. They sold the Summit Twp. land to their daughter, Martha Louise, and her husband Horace Field.

*On 24 November, 1865, they sold nearly all their 200 acres in Tompkins Twp. to Walter Wright for \$4,525.00, except for a small parcel on which the house and buildings were located, which they kept for themselves (Liber 59, p. 184, Jackson County Land Deeds). * A small creek ran through the property near the house.*

*On 20 February, 1866, they sold this final parcel of property to William Smith, a neighbor just down the road to the west (Liber 59, p. 340). * [William was a brother of widow Ann (Smith) Hatton.]*

On 15 August, 1866, Thomas and Sarah Barnes bought their retirement home in Jackson, in the Durand Addition, from William and Sarah Markham (Liber 61, p. 56).

*On 12 March, 1867, the heirs of Thomas Barnes sold this property to Aaron Barnes, Thomas' son, for \$1500.00 (Liber 56, p. 556). **

Sarah lived with Aaron for a few years (per an 1869-70 city directory), after which she lived with her other children until her death in 1875.
